Approval of Minutes	It was VOTED approve the Commission of Assembly meeting minutes of February 15 and March 28 as corrected.					
Presbytery Minutes Review	Due to the current situation with the COVID-19 pandemic that has limited the ability and desirability for persons to gather together, the Stated Clerk recommended postponing the presbytery minutes review normally conducted in the late summer or early fall until 2021. RE Martha Kadue, chair of the Polity and Records Committee concurred with this suggestion as did several of the Stated Clerks that were in attendance at this meeting.					
	The Commission VOTED to approve this recommendation. Consequently, presbytery minutes for 2019 and 2020 will be review at a time in 2021 still to be determined.

REPORT OF THE SYNOD TREASURER	RE Bill Hughes presented the financial report for the period ending May 31, 2020. The financial package is included in Attachment 1.					
REPORT FROM THE COMMITTEE ON REPRESENTATION AND NOMINATIONS	CoRN Co-chair TE Wendy Tajima presented a written report from the committee which included two action items and one item for information.					
	<ol> <li>The Committee nominates the following persons to fill vacant positions:</li> </ol>					

- Commission of Assembly Member (African-American Representation) - <u>RE Yvonne Harmon, San Gabriel</u>
- Justice, Peace and the Integrity of Creation, Class of 2020 -<u>RE Kathleen Julian, Los Ranchos</u>
- Racial-Ethnic Pastoral Leadership, Class of 2021 <u>TE John Moon, San Gabriel</u>

The CofA chair called for nominations from the floor. Hearing none, those nominated were elected to their respective positions.

2. The Committee recommends that TE Jim Pazan (Santa Barbara) and RE Jerri Rodewald (Riverside) be nominated and elected by the Commission of Assembly to the Committee on Representation and Nominations, Class of 2020, with the expectation that later this year, they would be reelected for the Class of 2023. Currently, CoRN does not have a representative from San Diego. CoRN members are nominated by CoA and elected by the Synod, not by CoRN.

It was moved and seconded to nominate TE Jim Pazan (Santa Barbara) and RE Jerri Rodewald (Riverside) for election to CoRN.

The Commission Chair asked for nominations from the floor. Hearing none, the nominations were closed and it was VOTED to elect those persons to the committee.

3. The Committee has received information from nearly all the new Commission of Assembly Committees, which enables CoRN to see what positions need to be filled for 2021.

Presbyterian Camp and Conference Centers Inc. TE Mark Hong reported that PCCCI has received a purchase offer for the La Scherpa property from Hope Refuge at a price of \$2.5 million. Several years ago the Synod agreed to the PCCCI board's request to allow the property to be offered for sale. PCCCI has not been able to use this property as camp grounds due to its remoteness, its condition and local zoning issues.

> For the last several years it has been leased to Hope Refuge, a nonprofit organization. They operate a short-term residential therapeutic program for 12-17 year-old girls who have been sex trafficked in the USA. They believe they are now in a position to purchase the property.

The purchase papers were sent out with the other meeting documents for CoA members to review. There were a number of questions raised. After discussion, it was VOTED to approve the sale of the La Scherpa property at a price of \$2.5 million.

Each of the recommendations was discussed separately, and COA VOTED to approve each of the grant applications. The applications and supporting documents are included as Attachment 2.

REPORT OF THE TE Mark Hong submitted a written report which is included below in its SYNOD EXECUTIVE entirety.

Since the staff began working from home on March 16 due to the Pandemic, the needed work has continued with the staff coming into the office when necessary.

We have completed distribution of the Covid-19 Stimulus Funds as approved by the Commission of \$150,000 to each of the 7 Presbyteries (SG still has \$70K available).

I have been part of 80 Zoom meetings, including 4 Presbyteries meetings (SB, PA, LR, and SG).

I submit the following report on Zephyr Point:

As the situation with the Covid-19 unfolded and with the closure of Zephyr Point from the order of civil government (Nevada), many conditions were exposed to the surface.

Most of all, financial obligation of the Conference Center, hovering around one million dollars became revealed. Perhaps with normal operation of the center, which would bring in millions of income throughout the year, the finances could possibly have been handled. However, with no income generated, the situation became bleak. At the onset of this crisis, the Executive Director, Bedford Holmes resigned effective as of April 30th, after seeing the writings on the wall and has since moved back to his hometown in Texas.

The board met on April 3rd and decided to have the president of the board appoint a Special Committee after consulting with the Execs of Pacific and SoCal & HI. (I may give further report relating to this process during the COA meeting.) Ruth Mandernach, David Won, and I from our Synod have been serving in the committee.

The Special Committee has met 15 times since its formation, meeting twice a week to handle the current situation. The SC now has a better understanding on the finance with currently favorable projection for the year (with resumption of operation).

Furthermore, the board met on April 17 to decide on the following. "The board voted unanimously to accept Bedford Holmes's Commission of Assembly, June 6, 2020 Video Conference Page 6

> resignation as Executive Director, effective April 30. The board voted unanimously to ask Dick Young to assume the additional duties of executive director at his current salary until September 30. The Special Committee will provide assistance and will review the duties and compensation of the Executive Director position by July 1 to see what changes may be needed.

The board voted unanimously to authorize the Special Committee to work with Dick Young to prepare and implement a plan on staffing following June 11." ZP was able to secure a PPP loan of \$467,700 which covers payroll up to June 11. The Center is planning to reopen (cabins only) on June 12 and is preparing for July 1 re-opening to host the conferences as well.

We have been operating on handed-down information that our Synod owns 1/3 of ZP and Synod of the Pacific owns 2/3. We have discovered over this crisis that there lacks any written records either in our office or Pacific. A new Article of Incorporation was drawn up in 2010; however, it also contains no mention of such information.

Regarding this situation, I have been communicating with our counsel, Kay Gustafson. Recently, I asked her the following questions:
1) Does Synod have any financial stake in ZP?
2) We have been working on the handed-down belief that Synod of SoCal & HI has 1/3 stake/ownership of ZP. Is that true?

Here is Kay's response.

Yes and no. As a nonprofit, the assets of Zephyr Point are dedicated to nonprofit uses - and Zephyr Point and its assets are not "owned" by any persons or entities, in the sense that individuals "own" their houses. (Just as churches, presbyteries, synods, etc., - and their properties - are not "owned" by individual members - or by their higher councils. All such assets are held in trust for the denomination.) But, in a different sense of the word "own," as a stakeholder responsible for appropriate stewardship of the assets of Zephyr Point, we could say that the Synod "owns" 1/3 of the Zephyr Point.

The Articles of Incorporation for Zephyr Point provide that its assets are held in trust for PC(U.S.A.) - as is true for the assets of churches, presbyteries and synods. The organizational documents for Zephyr Point divide the power to appoint members of the Board of Directors - 2/3 to the Synod of the Pacific and 1/3 to our Synod. Based upon this, the two Synods - through their appointed members of the Board of Directors - have control over what happens to Zephyr Point and its assets, with a fiduciary duty to uphold that denominational trust interest. The two Synods themselves have ultimate control over life-changing events for Zephyr Point - changing the articles of incorporation or what happens to the assets if Zephyr Point were liquidated.

If in the future it became clear that Zephyr Point could no longer be

effectively managed for the benefit of the denomination and the Board of Directors authorized liquidating the assets of Zephyr Point, the two Synods would each need to approve what happens to the net proceeds resulting from such an action, in a manner consistent with the denominational trust clause - and the nonprofit religious designation. Those net proceeds would need to be distributed to one or more qualified religious nonprofits, in a manner consistent with the trust dedication to PC(U.S.A.).

When a local church property is liquidated (or, for that matter, the proceeds from what is paid by a church for a presbytery-approved dismissal), the proceeds are then re-deployed in the manner in which the presbytery deems appropriate to continue to serve the denominational trust purposes. Similarly, if it came to liquidating the Zephyr Point assets, the two Synods would need to agree on how those assets would be re-deployed. It might be to divide the net proceeds 2/3 to the Synod of the Pacific and 1/3 to our Synod, where those assets would need to be applied by each Synod in a manner consistent with the trust clause interest to the entire denomination, perhaps by offering support to a more localized camp/conference system. It might be to contribute the net proceeds to another qualified nonprofit for the benefit of the entire denomination (e.g. as liquid assets to support a different one of the denominational conference centers). It might be to some other plan consistent with the denominational trust and the dedication of the assets to a properly qualified religious nonprofit - as approved by the two Synods.

ADJOURNMENT As there was no new business, RE Joshua Yee closed the meeting with prayer remembering the concerns expressed earlier by those around the table. The meeting was adjourned at 11:20 a.m.

## Synod of Southern California and Hawaii Presbyterian Church Congregational Partnering Grants Program Application

## — Anchor City Church — Presbytery of San Diego

A brief narrative description of the presbytery's involvement in and/or support to the mission of this project, including a statement to support why this project is a presbytery priority.

Anchor City Church was planted on January 1, 2014 with the support of the Presbytery of San Diego and the 1001 New Worshiping Communities movement. Shortly thereafter, the presbytery adopted a core mission to prioritize church planting, and Anchor City was blessed to be included as one of the new plants. Since then, the presbytery has provided to Anchor City Church counsel through an initial steering committee, grant funding — including matching grants from 1001's Investment and Growth Grants, as well as other financial help, including below-market rental rates from another church in our presbytery.

In September 2017, the presbytery launched Cyclical San Diego to support its vision of starting new churches. Anchor City Church received additional support through this initiative in the form of monthly coaching and cohort meetings for its leaders.

In addition to the above, the presbytery has been involved in the oversight and accountability for Anchor City's finances. The presbytery bookkeeper performs a monthly and annual review of the church's finances, and has provided training and support for Anchor City's finance leaders. The presbytery also manages the payroll for the two pastors for Anchor City. Anchor City has also received support from another church in our presbytery, Mount Soledad Presbyterian Church, in the form of below-market rental rates for use of their facilities.

Rev. Michael Mudgett, Executive Presbyter of the Presbytery of San Diego, has included a statement to support why this project is a presbytery priority as an attachment to this application.

Identify the plan for sustaining leadership, pastoral development and resources, such as finances and talent. Is there a plan for continued support to help ensure sustainability?

Pastors Jeya and Daniel So will continue their pastoral development through their ongoing training and support through 1001 New Worshiping Communities, Cyclical San Diego, and the presbytery. Anchor City has a core team of leaders who we hope will form the initial session of elders when we charter. The core team meets with the pastors on a monthly basis and continues to develop as church leaders through training, spiritual formation, and strategic ministry planning. In addition, Anchor City draws from its congregation for leadership roles in church finance, Sunday School, youth group, hospitality, hosting and leading home-based small groups, and local and global missions. Almost every member of the congregation participates in one or more of these church services with the guidance and encouragement of our pastors and core team of leaders.

Anchor City's financial sustainability comes from regular tithes and offerings from its members. We had a solid pattern of growth within our first five years both in total giving and in the diversified mix of givers. However, we have faced a challenge in the last year with several key families moving out of the San Diego area. This has left a financial gap that Anchor City is working to fill through ongoing teaching for the members regarding tithes and offering, and a call to action around specific mission endeavors. An example of a call for giving is our annual Advent offering that goes to support local and global mission partners. In 2019, this included the Waves Soccer Club, whose mission is "Building lives through discipline, self-improvement, and service to others" — particularly working to empower students from refugee families.

#### A project timeline including the desired date(s) for the Synod grant to be received.

Anchor City Church is making a request for a \$50,000 grant and would like to receive the funds as soon as possible to help initiate the ministry plan for 2020 and beyond. The funds will be applied immediately and throughout 2020 for use in fulfilling our core mission of spiritual formation and discipleship of members of all ages, as well as enabling our church to develop a rooted, embodied ministry presence as a church community in a neighborhood ripe with opportunities for witness and connection.

One incredible blessing of our church planting journey has been our growing and thriving NextGen ministries — including infants, toddlers, children, and youth. We have had wonderful creative energy and commitment from our adult volunteers for infant care, Sunday School, and youth group ministries. We foresee this thriving NextGen ministry as a potential avenue for continued church growth, as more families with children seek to connect meaningfully with God, each other, and the world. Our grant request includes funding support we will need for Sunday School and youth curriculum, supplies, and activities. For the past six years, we have developed customized Sunday School curriculum in collaboration with our pastors and various volunteers, but this grant request will allow us to develop a more sustainable path for growth in the future for Sunday School and youth ministries. A portion of this grant will enable us to hire a toddler care worker who will lead our youngest children alongside our adults who will continue to volunteer.

Also central to our mission as a church is local presence. We want to embody and incarnate the love of Jesus so that theological concepts are translated into real-life praxis in and through the lives of our church members. We have received tremendous support from a local church in our presbytery – Mount Soledad Presbyterian Church – through their generous below-market rental rates for our Sunday worship gatherings over the last five years. We are deeply grateful for their partnership and encouragement. At the same time, we have sensed a call as a church to focus our missional energy around neighborhoods where we have a more natural connection and affinity. We are a Third Culture church made up largely of Asian Americans, though we welcome people of all ethnicities and cultures. We have been seeking to rent a space in Mira Mesa for the past 18 months – for Sunday worship gatherings and/or weekly ministry space. Mira Mesa is a good fit for us because of their larger concentration of various Asian American populations, greater needs and opportunities to partner with schools in meaningful ways, and proximity to where many of our church members live. Unfortunately, rental rates in Mira Mesa (as with much of the San Diego region) are extremely high – receiving this grant would remove a financial barrier from us seeking a rental location in that area (for worship gatherings and/or missional endeavors).

Throughout the life of our church, we have been meaningfully engaged in several local and global partnerships. By rooting ourselves in Mira Mesa, we could deepen and grow several of these ministries. For example, we have hosted several free photo portrait sessions (during which a professional photographer and volunteers from our church set up lighting and backdrops, take photos, and then print and deliver those photos — all free of charge) around the county. We would continue these sessions in various places, but have a "home base" in the community of Mira Mesa. We would continue to support local partners such as the Waves Soccer Team, develop partnerships with local schools for tutoring, arts and music, and helping families experiencing food insecurity.

These grant funds would also be used in our ministry expenses for reaching and retaining church visitors and newcomers. This would include costs for social media communication, small welcome gifts for newcomers, and printing information packets for Anchor City Church.

Documentation of the specific assistance being given by the presbytery (this could be financial, coaching or support of the pastoral leadership, or other means of showing the presbytery's investment in the project).

As aforementioned, our presbytery has been involved in and has supported Anchor City Church from our inception in 2014 in many different ways — support from an initial steering committee, grant funding, coaching and monthly cohort gatherings through Cyclical San Diego, and financial accountability and oversight. The pastors also meet regularly with Rev. Michael Mudgett for encouragement, support, and strategy. How the project will be evaluated by the presbytery.

The presbytery will evaluate the project both through the monthly meetings pastors Jeya and Daniel So have with our Executive Presbyter and through an annual review with the Executive Presbyter. Further, Anchor City will receive an annual review by the presbytery via Cyclical San Diego, and have its annual budget approved at a presbytery meeting.

A copy of the presbytery action authorizing the application and any use of presbytery resources by the executive body of the presbytery or the presbytery at a stated meeting.

Please see Rev. Michael Mudgett's attachment for a copy of our presbytery's authorization of this application.

#### Presbytery Summary for Anchor City

We submit this one-page Presbytery summary pursuant to the Partnering Grant Protocol.

We endorse this grant application without reservation, and incorporate its contents herein by reference. The application was approved by the Presbytery's executive committee. See attached minutes dated April 9, 2020.

Anchor City is the "oldest" new worshipping community in our Presbytery. It was planted in January 2014, by the founding co-pastors, Daniel and Jeya So.

At a stated meeting in 2016, the Presbytery of San Diego voted to adopt, in part, as its vision: "... a ten-year vision of planting churches ... [and] that the Presbytery partner with Cyclical to become Cyclical San Diego." We now have a Cyclical San Diego standing committee; an allocation of \$550,000 to support this vision; and a director of Cyclical SD, Rev. Daniel So.

Supporting Anchor City and its success in reaching our communities for Jesus Christ is one of our Presbytery's *top priorities*.

Anchor City's list of project initiatives in this grant application is well thought out. We might add that relocation to a geographic area with a high concentration of Asian Americans is more conducive to their Third Culture ethos and vitally important for their growth in ministry.

Though not yet chartered, Anchor City donates funds annually to the Presbytery for missions. Both pastors are involved in 1001 NWCs as coaches and speakers at national 1001 NWC conferences.

The Presbytery of San Diego is involved at the various council levels by participating in leadership positions, supporting the mission of the church at every level, and paying per capita in whole or in part, as best it can. The Presbytery has been generous and very supportive of Anchor City since its inception and will continue to be so.

Sincerely, Presbytery of San Diego

## Application for a Synod Congregational Partnering Grant Submitted by Riverside Presbytery in Support of Stonewall Ministries

#### I. Introduction

Stonewall Ministries (<u>stonewallministries.org</u>), a validated 1001 New Worshiping Community of Riverside Presbytery, ministers primarily to the LGBTQIA+ community within the Coachella Valley. Stonewall Ministries mission is to help heal the spiritual wounds caused by organized religion's historic marginalization of LGBTQIA+ people. This Synod Congregational Partnering Grant application for \$15,000.00 is submitted to further support Stonewall Ministries efforts to reach out to a population that has had a difficult and problematic relationship with the institutional church.

II. Action Plan for Participation of Stonewall Ministries in Higher Governing Bodies Stonewall Ministries is led by a leadership team of four people who coordinate day to day operations and has responsibility for implementing the overall mission of the ministry. Stonewall Ministries is overseen by, and answerable to, Riverside Presbytery's New Worshipping Community Administrative Commission, which acts as the ministry's Session. Elder Nathan Sobers serves as Ministry Leader. Nathan is a candidate to become a Commissioned Local Pastor in Riverside Presbytery and has previously served as co-moderator of the national board of directors of More Light Presbyterians. He recently completed service on the General Assembly's Taskforce to discern the need for a denomination wide LGBTQIA+ Advocacy Committee. Under Nathan's leadership, Stonewall Ministries paid a total of \$350.00 in per capita in 2019 (although as a 1001)

Page 1 of 5

New Worshiping Community, this was not required). Stonewall Ministries is committed to continuing its strong support of Riverside Presbytery's mission through annual per capita payments and participation in every aspect of the life of Presbytery, wherever possible. Stonewall Ministries goal is to ultimately become a chartered congregation within the PC(USA) and they look forward to being able to participate more fully in the life of the larger church.

#### III. Presbytery Support

Riverside Presbytery has walked along side of Stonewall Ministries from the beginning of the ministry's existence. Financial support of the ministry has included the following:

- A. 2017 Approved a \$7,500.00 1001 New Worshiping Community seed grant application.
- B. 2019 Awarded a \$25,000.00 operating grant.
- C. 2020 Approved a \$15,000.00 grant application, contingent on Synod providing matching funds (see Appendix A). Additionally, the Presbytery has contributed \$2,000.00 to assist Stonewall Ministries in funding a successful radio ad campaign

#### IV. Planned Use of Synod Funds

Stonewall Ministries has a core group of 10 regular attendees in worship, with an additional 4-5 who attend occasionally. Currently, Stonewall Ministries worship services are completely virtual, which has allowed them to reach an audience far beyond the Coachella Valley. This has created an opportunity for Stonewall Ministries to work

Page 2 of 5

towards increasing worship attendance, one of their top goals. Easter Sunday saw approximately 20 people, from all across the country, celebrating the resurrection, roughly double Stonewall Ministries normal in person attendance. The ministry has plans to continue an online worship presence, in addition to providing in person worship, once the current health crisis has passed.

Stonewall Ministries remains committed to continuing its robust outreach efforts to the LGBTQIA+ community within the Coachella Valley. Current outreach efforts include an increased presence in the community through participation in Palm Springs Pride, Cathedral City Gay Days and other community-wide events. Nathan is a monthly featured guest on the morning show on KGAY 106.5, the valley's LGBTQIA+ radio station, where he discusses religious issues and how they impact the LGBTQIA+ community. Plans are in the works to partner with the LGBTQIA+ Community Center to hold a weekly queer spirituality discussion group, as well as partnering with the Transgender Community Center to provide much needed spiritual support.

The \$15,000.00, requested from Synod, will supplement a Riverside Presbytery Partners in Ministry Committee grant of \$15,000.00 to assist in funding day to day operating expenses for Stonewall Ministries for the 2020-2021 fiscal year. Specifically, the combined \$30,000.00 will provide funds to assist Stonewall Ministries in paying salaries, rent, the continued funding of their radio ad campaign and support of a Blessing Bag ministry, which provides much needed water, food and hygiene products to the homeless population of Cathedral City. (See Fig.1)

Item	Annual Expense
Ministry Leader Stipend	\$ 12,000.00

Musician Salary	\$ 4,800.00
TOTAL	\$ 36,800.00

#### V. Leadership and Financial Sustainability

In late 2019, the New Worshipping Community Administrative Commission approved a contract to engage a 1001 New Worshipping Community coach for Nathan, to provide continued pastoral development and support. Nathan began working with his coach in January 2020. The New Worshipping Community Administrative Commission will continue to partner with Nathan and Stonewall Ministries Leadership Team to further develop a plan for financial sustainability of the ministry.

#### VI. Project Timeline and Desired Date for Receipt of Synod Grant

In order to provide continuity in funding for the ongoing work of Stonewall Ministries, we request that, if approved, the Synod grant be received by June 2020.

#### VII. Other Anticipated Sources of Funding

Stonewall Ministries anticipates applying for a 1001 New Worshipping Community investment grant of \$25,000.00 in October of 2020. The combined grants from the Presbytery and the Synod will be presented as needed proof of support from both bodies.

Page 4 of 5

#### VIII. Presbytery Evaluation of Stonewall Ministries

As noted above (see section II), the New Worshipping Community Administrative Commission of Riverside Presbytery acts as Stonewall Ministries Session. In this capacity, the Commission receives regular reports (verbal and written) from Nathan. The Commission remains in close contact with Nathan and the Stonewall Leadership Team in order to provide regular oversight and continual evaluation of Stonewall's programs and activities.

Respectfully Submitted,

Rev. Wayne Morrow, Chair, New Worshipping Community Administrative Commission

Rev. Lee Ireland, Executive Presbyter

  - In practice, we operated based on the following: "Did you know that there is \$2,000 available to you/your congregation/your ministry from the Presbytery that you could take advantage of?
     "...just ask PIM"
- for 2020 and beyond, we are exploring new guidelines focused on funding and supporting innovative/new ministries within our presbytery

## PRESBYTERY OF THE PACIFIC

### **URBAN CHURCH REDEVELOPMENT FUND**

UCRF Grant Request Application

## **A. Church Information**

- 1. Church Name: Faith Presbyterian Church of Torrance
- 2. Project Name: Growth and Outreach
- 3. Starting Date of Project: January 1st, 2020
- 4. Amount Requested from UCRF: \$20,000

Amount Requested from Synod Partnering Grant: \$20,000

## **B. Project Information**

1. Please describe in detail the need(s) the project is addressing and how the goal(s) of the project fit(s) into the vision for the ministry and mission of the church.

2020 began with a renewal of vision for Faith Presbyterian Church. The spiritual growth of our congregation begins with worship- both at church and at home- and is lived out in service to the Lord and the people in our community. Our goals needed to be adapted once COVID-19 changed the landscape, and our efforts have included a cloth mask outreach project, including sending a large number of masks to the Navajo Nation, as well as actively staying connected with technology in united worship as well as small group meetings with adults, teens, and kids. But we remain optimistic that we will resume our 2020 Growth and Outreach goals as COVID-19 restrictions ease up and will continue to serve in the face of pandemic.

### Goals:

- Grow our youth group and build a solid foundation for ongoing youth ministry.

- Identify and meet physical and spiritual needs in our community (Palos Verdes, San Pedro, and the surrounding South Bay area)

Our churches are getting older, and Faith is committed to serving our teens and children with the goal of retaining their connection as they grow and welcoming new young people to the congregation. We are almost able to sustain the youth pastor position beyond this grant, but the UCRF grant will support youth and college ministry outreach and activity. Once we are able to meet again, we will resume youth and college outreach (our youth group will double in size as the kids promote to the next grade level), adapting our kids' summer program to fit the necessary schedule and social distancing requirements, increasing our outreach to local college students, and giving our resources to missions. These include outreach to a ministry in Mexico, The Row Church on Skid Row in Los Angeles, Harbor Interfaith Services in San Pedro, continued partnership with South Bay Together, and support of the National School Project. We will continue to adapt our level of hands-on participation to what social distancing restrictions allow while being as creative as possible to meet local needs. For example, we recently wrapped up a home blanket-making project that will bless our homeless neighbors at Harbor Interfaith's new shelter in San Pedro.

# 2. Please describe in detail the plan of action to achieve the goal(s) of the project, including resources and staff needed, and how staff will be compensated.

The details of accomplishing our Growth and Outreach goals will be determined as we navigate the new reality of social distancing and sickness prevention. Our youth pastor is in his second year of service at Faith and will lead the way to growing the youth and college group both in their spiritual growth and number of members. While our church continues to increase giving to support him, the UCRF grant will help us to be able support new ministries to reach and attract young families to our church. Our outreach will include serving the community through our Discover God kids program (adapted and on a timeline depending on COVID-19 restrictions), outreach to local college students, and partnering with our sister church, St. Luke's, to impact the needs in our community. In the meantime, both the youth pastor and children's ministry director will utilize technology and creativity to serve the teens and children in our congregation. We will also use this time to plan and create our traditional summer program, Discover God, so it will be ready to serve our community as soon as we are able to host it. We will also remain connected with our mission commitments to learn their needs during the COVID-19 crisis and do our part to help meet these needs. We are currently taking everything a day at a time with a commitment to honor God and love our community.

## C. Project Budget

# 1. Please attach a balanced budget for the year, listing all projected income (including all funding sources) and an itemized list of all expenses.

Faith Presbyterian Church relies on weekly offerings and tithes as our only source of income. This supports operating expenses, staff salaries, and mission giving. Last year, our congregational giving totaled \$267,317.25. In 2020, we are praying for an income of \$286,692.50 from tithes and offerings. However, we are unsure of how the COVID-19 crisis will impact our church's giving. Additionally, we received a \$48,000 grant last year to support our Youth and Outreach projects.

The budget for our Growth and Outreach for 2020 is as follows:

Discover God (Vacation Bible School) - \$6,000 for more far reaching VBS outreach, supplemented

by virtual resources

Youth and College Ministry - \$10,000 for more outreach to college students then in 2019

Outreach to Community: \$6,000 for collaboration with St. Luke's and outreach to surrounding community

Mission opportunities - \$8,000 for increased mission activity/giving (this is in addition to our regular mission giving to presbytery, \$16,000 in 2019)

\*\*\$10,000 request from synod to support youth pastor's financial support for 2020, with goal of phasing out using grant money and supporting his salary solely by church resources in 2021\*\*

# Total: \$40,000

# 2. If your congregation is not awarded a UCRF grant, how will you proceed with the project?

If we are not recipients of a UCRF grant, we will seek the Lord's guidance and provision. God has given Faith an inspired vision to make disciples and glorify God, and God will equip us to be the church God has called us to be. This might change our approach, but we will seek God's wisdom and resources.

## **UCRF Evaluation Form**

### Faith Presbyterian Church of Torrance

1. Identify the planned steps/actions actually taken to achieve the goal(s)/objective(s) of the project? Did your plans change in the process and were any alternative steps/actions that were taken to achieve your goal(s).

## Goal: Establish a youth group as our children grow into adolescence.

In 2019, Faith Presbyterian Church continued to grow and develop an identity beyond the roots established at Torrance First Presbyterian Church. As we deepen our establishment in our new home in Rolling Hills Estates, we focused on the growth of our newly emerging youth group as well as outreach to the community and world outside our walls. We brought Assistant/Youth Pastor Larry Kim onto our staff and our youth group began a new chapter and significant growth. A weekly Bible study, their own Sunday worship time, and two youth retreats were established, as well as encouraging participation in service by volunteering at our summer Discover God kids program. As Faith's kids advance, our youth group will continue to expand, not only in number, but in activity and development. By establishing a strong youth and college outreach, we are not only retaining the younger generation, but helping them grow and connecting them to ministry within the church.

### Goal: Increase community outreach to serve needs outside our church walls.

We also achieved our goals by providing a summer VBS alternative, Discover God, which was open to the community. Half of the participants were kids who regularly attend Faith, and the other half were visitors and friends. We look forward to continuing this outreach. Our mission projects include supporting Harbor Interfaith Services, an organization that supports the homeless needs in the neighboring community of San Pedro. We also hosted the Global 6k for Water, a family walk/run that provides funds for World Vision's clean water projects around the world. Approximately half of our participants were from the community outside of our congregation. The 6k is a unique project because it is both a community based outreach but has a worldwide mission impact. Our missions support extended to support an orphanage in Mexico, The Row Church on Skid Row in Los Angeles, and the National School Project.

# 2. Identify any goal(s)/objective(s) of your project that were not achieved and reasons or difficulties encountered in implanting the project?

Though we had additional specific mission and outreach goals when we applied for the grant last year, the encouragement of our growing youth group, including creating a new youth pastor position, took the majority of our resources. Adding Larry Kim to the staff has not only enabled us to support our growing teen population, but he also leads praise worship and occasionally preaches in the main service. This investment in our staff yields immeasurable outreach results. We will continue to dream big and expand our service to the Lord and community.

# 3. What signs of God's presence and activity do you see as you look over the past year? How is your congregation different because you implemented the project – What did you learn? How did you change?

God has richly blessed Faith Presbyterian Church. In the past year, we've welcomed new families and seen our teenagers blossom into young disciples of Christ. Our children's ministry establishes a solid foundation as our youngest members are a vital part of our congregation as a whole. We are humbly honored to be included in God's kingdom work through financial support of mission projects as well as active participation in projects like Discover God and the Global 6k for Water. Our congregation is different because we've grown. We continue to mature spiritually and step into each new endeavor that the Lord places before us. We are continuing to get to know our new community since we've relocated to share space with St. Luke's Presbyterian Church. We are discovering the needs around us and learning how we can be the hands and feet of Christ to meet those needs. As God works through us to love God's people, our hearts continue to be shaped to be more like God.

# 4. What are the next steps for your congregation and how will you implement what you have learned through this project? How will your future be different because you implemented the project?

2019 was a solid start to our new youth group and expanded commitment to service. 2020 will be a year to strengthen our foundation and continue to grow. This will involve a greater financial commitment from the congregation to missions so we can continue to support our staff members as well as each project. We are currently learning our individual spiritual gifts and applying them to handson service in a way that utilizes God's equipping and furthers God's kingdom. This will increase each church member's involvement with outreach projects. We are learning that each person has something to contribute as a valuable member of God's family. Because of this growth, Faith's future is bright. In addition to the growth of our adult congregation, we are raising a generation of young disciples while being a light in our community.

# 5. a. Please attach a balanced budget for the year, listing all projected income (including all funding sources) and an itemized list of all expenses.

Faith Presbyterian Church relies on weekly offerings and tithes as our only source of income. This supports operating expenses, staff salaries, and mission giving. Last year, our offering totaled \$267,317.25. We are praying for an income of \$286,692.50 this year from tithes and offerings. However, we are unsure of how the COVID-19 crisis will impact giving. Additionally, we received a \$48,000 grant last year to support our Youth and Outreach projects. Please see the attached budget for details, though there are discrepancies between this application and the budget document due to bookkeeping inaccuracies. The numbers reported below are most accurate.

2019 Youth and Outreach Spending

Discover God (Vacation Bible School) - \$2,794.35 (budget line item plus reimbursed congregational donations)

Youth Ministry: \$6,952.50 (additional Youth Pastor Salary: \$34,025)

Community Outreach: \$2,601.98 (total taken from budget items that include Congregational Care,

Fellowship Events, and Women's Ministry expenses)

Spent on Missions: \$5,786.66 (in addition to mission giving to presbytery of \$16,000. See budget line items, plus checks from 2019 that cleared in early 2020 to give us this total)

Praise Team equipment: \$3,903.58 (this amount differs from the attached budget because of donations not accounted for in the budget for equipment purchases and repairs)

Total spent on projects in 2019: \$56,064.07 (supplemented the \$48,000 UCRF/Synod grants with congregational giving)

# b. If your congregation is not awarded a UCRF grant, how will you proceed with the project?

If we are not recipients of a UCRF grant, we will seek the Lord's guidance and provision. God has given Faith and inspired vision to make disciples and glorify God, and we believe God will equip us to be the church God has called us to be. This might change our approach, but we will seek God's wisdom and resources.
